NEWS BRIEF

## Spa Retailer Helps Hurricane Ike Survivors

ChooseHotTubsDirect.com will donate a portion of its spa sales to survivors of Hurricane Ike, which hit Texas in

September. Working with the Gulf Coast Emergency Response Fund, the online retailer will donate \$15 for every Paradise Hot Tub sold in October. The money will be spent on food, shelter, clothing and other necessities that area residents lost in the disaster. The effort is sponsored by Rockefeller Philanthropy Advisors. To donate, visit [www.rockpa.org/special\\_programs/gulf-coast-fund](http://www.rockpa.org/special_programs/gulf-coast-fund). ChooseHotTubsDirect.com is based in San Francisco.
